

INTERIM COVER

Interim Cover allows you to outsource the management of your IT function should you find yourself at a resource shortfall. This could be for several reasons, whether it be the busy holiday period, unexpected absences, business critical projects or a recruitment gap.

Whatever the reason our team of expert engineers can provide as little or as much cover as you require across your IT function to take the pressure off and enable you to maintain productivity.

- Outsource the management of your IT function
- Expert engineer support, when you need them most
- Tailored to suit your requirements
- Remote support, on hand and highly skilled
- Unrivalled flexibility and cost advantages
- ISO27001 certified organisation

- Fill resource gaps conveniently
- Reduce the pressure on yourself, IT teams and end users
- Prevent productivity being effected
- Proactive or reactive cover
- Allowing you time to solve the gap, without a rush decision
- Help you can trust, highly skilled and widely experienced

Interim Cover is part of the Support product family.
