

TROUBLE TICKETS

When you know you need a little more IT support, but don't want to be constrained by a lengthy contract. Our Trouble tickets are perfect for filling a requirement, shortfall or knowledge gap. A ticket is used for 1 hour or 1 problem, so you know exactly where you stand from available support or financial planning without being overburdened. A bundle of trouble tickets gives you the access you need to our service desk, all their skills and the remote support tools available to them. As a top up of knowledge or to dip your toe into IT support, our Trouble Tickets could be the answer you're looking for.

- Fully accredited Technical support
- Help when you need it
- Access to manufacturer's support
- Adding 20+ additional heads to your IT team
- Time and experience in a bite size way

- Financially flexible
- Only pay for the support you require
- Scalable resourcing
- Top up IT experience
- No binding contract

Trouble Tickets are part of the Support product family. Explore the other solutions we offer to manage your IT infrastructure, across our 5 product families.
